Important Note: This is only one of many equally-sound schedule sequences.

Free electives and specified group electives are often chosen to complement the student's career focus. The student's academic advisor assists with developing scheduling schemes that prepare students individually for careers in the animal industry. They are explained fully in AnS 110 and through appointments with the student's advisor in Dairy Science. Typical career areas include:

<i>Advanced Degree in Dairy Science</i>	<i>Business and Finance</i>
<i>Agricultural Promotion and Information</i>	<i>Dairy Food Industry</i>
<i>Agricultural Sales and Marketing</i>	<i>International Agriculture</i>
<i>Animal Production and General Agribusiness</i>	<i>Pre-Veterinary Medicine</i>
